

LoopTV

The Music Producers Channel

Welcome To LoopTV

Welcome to the number one music production video channel for producers, musicians and DJs.

Our collection of programs includes artist and producer interviews, music production tutorials, pro audio news items, featured audio product, and pro audio kit reviews by industry experts.

Watch closely as we take you into the studios of some of the best music producers on the planet!

Who Are LoopTV?

LoopTV is an independent multi media production house based in Brighton, UK, which forms the media arm of the [Loopmasters Ltd](#) Pro Sample Group.

We specialize in creating high quality videos about the music industry and pro audio arena, providing a blend of entertainment and education programs covering a wide selection of topics – delivered through our online video site at www.looptv.net

Why Watch?

LoopTV has access to some of the best producers and artists on the planet! If you've ever fancied seeing what kit your favourite producer uses in his or her studio? You can with our Artist studio tours, and in-depth interviews!

We talk to the producers and Artists on the cutting edge of music production, to bring you their views on kit, production methods, and keep you updated on tech and software developments in today's constantly evolving music industry.

You can subscribe to our [news feeds](#) or subscribe to the LoopTV monthly pro audio [podcast](#).

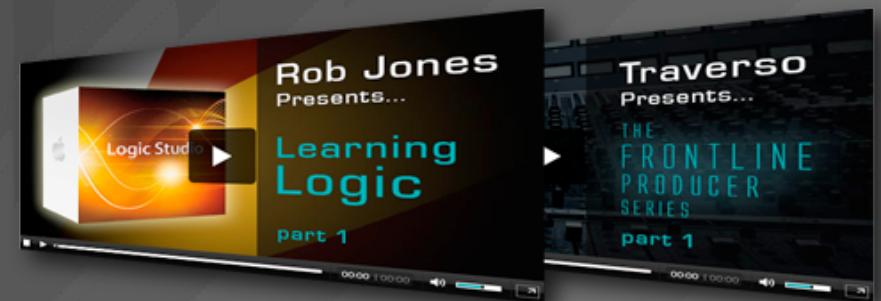

Learning...

Want to learn how to produce music like your favourite Artists, and pick up nifty tips & production tricks that the Pro's use...

Don't Just Take Our Word For It!

"A great site to learn about music production..."

RAY STAFF - Air Mastering - World Mastering Engineer Of The Year - 2009.

"Big up to Loopmasters for always teaming up with the greatest world-wide producers, to come up with the sickest sample libraries, and to LoopTV for their intuitive and exclusive interviews for production of all types."

KJ SAWKA - Drummer - Pendulum - 2010.

"The best place for aspiring producers to learn the tricks of the trade..."

LAURANCE TRAVERSO - Vocals/Guitar/Producer - Traverso - 2010.

"The LoopTV crew are awesome. Consummate professionals. The LoopTV content gives the viewer a great insight into the studio techniques and lives of the producers behind the Loopmasters sample series. You get information you can't find anywhere else. Check it!"

TIM HEALEY - DJ/Producer - Owner Surfer Rosa Records - 2010.
